Dear Shareholder

2021 Annual General Meeting

The 2021 Annual General Meeting (**AGM**) of NTAW will be held virtually on Wednesday 3 November 2021 commencing at 11.00 am AEST (Brisbane time). Shareholders will be able to join the meeting live at <https://web.lumiagm.com/307786821>.

Given the significant health concerns attributed to the COVID-19 pandemic, in addition to guidelines and restrictions issued by Federal and State governments, the Company considers that it is appropriate to hold the Meeting as a fully virtual meeting accessible online, in a manner that is consistent with ASIC's "no-action" position (adopted on 29 March 2021) and the temporary relief measures introduced by the Federal government in *Treasury Laws Amendment (2021 Measures No. 1) Act 2021* (Cth) (**Relief Measures**).

Accessing meeting documents and lodging proxies online

In addition, the Relief Measures permit a Notice of Meeting and other information regarding a meeting to be provided online where it can be viewed and downloaded. Accordingly, this year (in accordance with the Relief Measures) the Notice of Meeting will only be mailed to those Shareholders who have elected to receive the Notice of Meeting and other information regarding a meeting in hard copy. Details of where you can access the Notice of Meeting, lodge a proxy and participate in the meeting are shown in this letter and on NTAW's website at www.ntaw.com.au/investors/agm.

Participation at the Meeting

You will find further details about participating in the virtual meeting in the Notice of Meeting, including instructions for attending the meeting online, methods for voting and asking questions. The Notice of Meeting also includes the Explanatory Memorandum in relation to the business of the AGM. I encourage you to read all of the provided material.

Future alternative arrangements

If it becomes necessary to make future alternative arrangements for holding NTAW's 2021 AGM, Shareholders will be provided as much notice as possible. Further information will be made available on NTAW's website at www.ntaw.com.au/investors/agm. Shareholders are encouraged to check for updates regularly in the lead up to the AGM.

Electronic communications

We encourage all shareholders to receive electronic communications by providing an email address at www.computershare.com.au/easyupdate/NTD. This enables the fastest possible flow of information to you in the most secure, sustainable and cost-effective manner possible.

Thank you for your continued support of NTAW.

Yours faithfully,

A handwritten signature in black ink, appearing to read "Murray Boyte".

ITEM 1 – FINANCIAL STATEMENTS AND REPORTS

The Corporations Act requires that the report of the Directors, the report of the Auditors and the financial reports be presented to the Annual General Meeting. In addition, the Company's Constitution provides for such reports and statements to be received and considered at the Meeting.

ITEM 2 – REMUNERATION REPORT

The Corporations Act requires that the section of the Directors' Report dealing with the remuneration of the Directors and other Key Management Personnel (**Remuneration Report**) be put to the members for adoption by way of a non-binding vote.

The Remuneration Report can be found in the Company's 2021 Annual Report.

Shareholders will be given a reasonable opportunity to ask questions about, or make comments upon, the Remuneration Report during the Meeting.

The Board unanimously recommends that Shareholders vote in favour of the Resolution for Item 2.

Explanatory Memorandum

ITEM 4 – APPROVAL OF THE EMPLOYEE EQUITY PLAN

Introduction

On 16 September 2021, the Board adopted a new Employee Equity Plan (**Plan**). The Plan replaces the old Employee Share Option Plan which was last approved by Shareholders at the 2020 annual general meeting. There are currently 3,775,000 outstanding options granted under the Employee Share Option Plan and there is no intention to grant any further options under that plan. The Plan was adopted by the Board to meet changing incentive structures of the Company and Australian taxation laws.

The Resolution in Item 4 seeks Shareholder approval for the Plan, and for the issue of securities under the Plan to provide ongoing incentives to eligible employees, directors and contractors of the Company and its related bodies corporate (**Eligible Persons**).

If the Resolution in Item 4 is passed, the Plan will enable the Company to issue “Awards” (which include Shares, Options and Rights (typically a right to acquire a Share without further payment)) to Eligible Persons and to issue Shares to those persons if they choose to exercise their Rights or Options, without using the Company's placement capacity under Listing Rule 7.1. In the case of a director, no Award may be issued to the director without express shareholder approval of the number and terms of the Award.

If the Resolution in Item 4 is not passed, any Awards issued to Eligible Persons, or Shares issued to Eligible Persons if they choose to exercise their Rights or Options, will count towards the Company's placement capacity under Listing Rule 7.1.

Listing Rule 7.1

Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12-month period than that amount which represents 15% of the number of the fully paid ordinary securities on issue at the commencement of the 12-month period.

An exception to Listing Rule 7.1 is set out in Listing Rule 7.2 Exception 13(b) which provides that Listing Rule 7.1 does not apply to an issue under an employee incentive scheme if, within the three years before the date of issue, shareholders have approved the issue as an exception to Listing Rule 7.1.

Shareholder approval is sought to approve the Plan in accordance with Listing Rule 7.2 Exception 13(b) and to enable the Company to subsequently grant Awards and issue Shares on exercise of Rights or Options under the Plan for three years after the Meeting, without having to obtain Shareholder approval each time the Company wishes to issue such securities which exceed the 15% limit contained in Listing Rule 7.1 and do not otherwise fall within one of the nominated Listing Rule exceptions.

Information required by Listing Rule 7.2 Exception 13(b)

The maximum number of Awards proposed to be issued under the Plan following shareholder approval over three years is 2,000,000 Awards. This maximum is not intended to be a prediction of the actual number of Awards to be issued under the Plan but is specified for the purposes of setting a ceiling on the number of Awards approved to be issued under and for the purposes of Listing Rule 7.2, Exception 13(b). Once that number is reached, any additional issues of Awards under the Plan would not have the benefit of Exception 13(b) without a fresh shareholder approval.

The voting exclusion statement in respect of the Resolution in Item 4 is set out under Note 4 in the Notice of Meeting.

Explanatory Memorandum

The full terms and conditions of the Plan are available on the Company's website at <https://www.ntaw.com.au/investors/corporate-governance/>.

A summary of the terms and conditions of the Plan is set out below.

A participant will have a vested and indefeasible entitlement to any dividends declared and distributed by the Company on participant's Shares that, at the books closing date for determining entitlement to those dividends, are standing to the account of the participant.

Voting Rights

A participant may exercise any voting rights attaching to a participant's Shares registered in the participant's name or, in the case of exempt share awards or salary sacrifice share awards, registered in the name of a trustee, once those share awards are allocated to the participant.

Suspension or Termination of the Plan

The Plan may be suspended or terminated at any time by resolution of the Board. Suspension or termination of the Plan will not prejudice the accrued rights of participants.

Adjustment

The Board will:

- a) reduce the exercise price of Rights and/or Options (if any) in the event of a new issue; and/or
- b) change the number of underlying Shares to which awards relate in the event of a bonus issue, in accordance with the Listing Rules.

Reorganisation

In the event of a reorganisation of the Company's share capital, the Board will review and modify the terms of the awards if required by, and in accordance with, the Listing Rules.

Explanatory Memorandum

Subject to the Listing Rules and the law, the Board may at any time by resolution amend or add to the rules of the Plan. However, no amendment to the rules may be made which materially reduces the rights of participants in respect of Awards which they have accepted prior to the amendment (except for certain changes, including changes for the purpose of complying with laws or the Listing Rules).

Director's recommendation

As all the Directors are entitled to participate in the Plan, they are interested in the outcome of the Resolution in Item 4 and accordingly do not consider it appropriate to make a recommendation to Shareholders.

ITEM 5 – ADDITIONAL CAPACITY TO ISSUE EQUITY SECURITIES

Listing Rule 7.1A enables small to mid-cap listed companies to seek Shareholder approval by special resolution to issue equity securities equivalent to an additional 10% of the number of ordinary securities on issue by way of placement over a 12 month period (**10% Placement Facility**), without a need for further Shareholder approval. This is in addition to the existing 15% placement capacity permitted by Listing Rule 7.1.

A company is eligible to seek Shareholder approval for this additional placement capacity if it satisfies both of the following criteria at the date of the AGM:

- (a) it has a market capitalisation of \$300 million or less; and
- (b) it is not included in the S&P/ASX 300 Index.

The Company currently satisfies both the above criteria, and it is anticipated that it will satisfy both these criteria at the date of the AGM.

Accordingly, Item 5 is seeking Shareholder approval by special resolution for the issue of such number of equity securities as calculated under the formula in Listing Rule 7.1A.2, at an issue price as permitted by Listing Rule 7.1A.3 to such persons as the Board may determine, on the terms as described in this Explanatory Memorandum.

If the Resolution in Item 5 is approved, the Company will be able to issue equity securities under Listing Rules 7.1 and 7.1A without further shareholder approval such that the Company's total annual placement capacity will be 25% of its issued capital.

If the Resolution in Item 5 is not approved, the Company will not be able to access the additional 10% capacity to issue equity securities without shareholder approval provided for in Listing Rule 7.1 and will remain subject to the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1.

At the date of the Meeting, it is anticipated that the Company will have on issue 114,294,863 Shares and a capacity to issue 17,144,229 Shares under Listing Rule 7.1 and, if the Resolution in Item 5 is approved, a capacity to issue an additional 11,429,486 Shares under Listing Rule 7.1A.

The actual number of equity securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the equity securities in accordance with the formula prescribed in Listing Rule 7.1A.2.

The effect of Item 5 will be to allow the Directors to issue equity securities under Listing Rule 7.1A, in addition to the Company's 15% placement capacity under Listing Rule 7.1, from the date of the AGM at which approval of the 10% Placement Facility under Listing Rule 7.1A is obtained until the first to occur of the following:

- (a) the date that is 12 months after the date of the AGM i.e. 3 November 2022;

Explanatory Memorandum

- (b) the time and date of the Company's next annual general meeting; or
- (c) the date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),
(10% Placement Period).

Information required by Listing Rule 7.3A

For the purposes of Listing Rule 7.3A, the following information is provided:

- The period for which the approval will be valid is the 10% Placement Period.
- The minimum price at which the equity securities will be issued will be no less than 75% of the volume weighted average market price for ordinary shares calculated over the 15 trading days on which trades are recorded immediately before:
 - (a) the date on which the price at which the shares are to be issued is agreed by the entity and the recipient of the securities; or
 - (b) if the shares are not issued within 10 trading days of the date in paragraph (a), the date on which the shares are issued.

Note: Securities can only be issued under Listing Rule 7.1A.2 for cash consideration.

- The Company intends to use any funds raised by an issue of equity securities under Listing Rule 7.1A.2 towards an acquisition of new assets or investments (including expenses associated with such acquisition), continued development of, or investment in, the Company's current assets, general working capital and/or other capital management purposes.
- If the Resolution in Item 5 is approved by Shareholders and the Company issues equity securities under the 10% Placement Facility, the existing ordinary Shareholders face the risk of economic and voting dilution as a result of the issue of equity securities which are the subject of this Resolution, to the extent that such equity securities are issued, including:
 - (a) the market price of equity securities may be significantly lower on the issue date than on the date on which this approval is being sought; and
 - (b) the equity securities may be issued at a price that is at a discount to the market price for those equity securities on the issue date,

which may also have an effect on the amount of funds raised by the issue of the equity securities.

- The following table gives examples of the potential dilution of existing ordinary Shareholders on the basis of the market price of Shares at 13 September 2021 and the number of ordinary securities for variable "A", calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice (and on the assumption that the Resolutions being considered at the Meeting are approved).
The table also shows:
 - (a) two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of fully paid ordinary securities the Company has on issue. The number of fully paid ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and

Explanatory Memorandum

- (b) two examples of where the issue price of fully paid ordinary securities has decreased by 50% and increased by 100% as against the current market price.

	Dilution				
	Additional shares issued	Voting Dilution	Funds raised		
Variable "A" in Listing Rule 7.1A.2			\$0.62 50% decrease in Issue Price	\$1.24 Issue Price	\$2.48 100% increase in Issue Price
114,294,863 (current)	11,429,486	10%	\$7,086,281	\$14,172,563	\$28,345,125
171,442,295 (50% increase)	17,144,229	10%	\$10,629,422	\$21,258,844	\$42,517,688
228,589,726 (100% increase)	22,858,972	10%	\$14,172,563	\$28,345,125	\$56,690,251

- The above table has been prepared on the following assumptions:
 - (a) the Resolution in Item 5 is approved;
 - (b) no Shares are issued in accordance with the Company's Dividend Reinvestment Plan before the date of issue of Shares under Listing Rule 7.1A;
 - (c) the Company issues the maximum number of equity securities available under the 10% Placement Facility in Listing Rule 7.1A;
 - (d) no options are exercised before the date of issue of Shares under Listing Rule 7.1A;
 - (e) the 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%;
 - (f) the table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the AGM;
 - (g) the table shows only the effect of issues of equity securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1;
 - (h) the issue of equity securities under the 10% Placement Facility consists only of Shares; and
 - (i) the current Share price is \$1.24 per Share, being the closing price of the Shares on ASX on 13 September 2021.
- The Company's allocation policy for issues under the 10% Placement Facility will be dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of allottees of any equity securities that may be issued have not been determined as at the date of this Notice, but may include existing Shareholders and/or parties who are not currently Shareholders and are not related parties or associates of the related parties of the Company. Any potential allottees will be determined on a case-by-case basis having regard to factors including, but not limited to, the following:
 - (a) the methods of raising funds available to the Company (including but not limited to, rights issue or other issues in which existing security holders can participate), while balancing interest from potential allottees with the interests of existing Shareholders;
 - (b) the effect of the issue of equity securities on the control of the Company. Allocation will be subject to takeover thresholds;
 - (c) the financial situation and solvency of the Company and its need for capital at any given time; and
 - (d) advice from corporate, financial and broking advisors (if applicable).

Explanatory Memorandum

- The Company has not issued or agreed to issue any equity securities under rule 7.1A.2 in the 12 months preceding the date of the Meeting. Further, there are no equity securities that the Company agreed before that 12 month period to issue but which have not yet been issued.
- At the time of dispatching this Notice of Meeting the Company is not proposing to make an issue of equity securities under Listing Rule 7.1A.2.

The Resolution for Item 5 is a special resolution. For a special resolution to be passed, at least 75% of the votes cast by Shareholders present and entitled to vote on the Resolution must be in favour of the Resolution.

A voting exclusion statement in relation to the Resolution for Item 5 is set out under Note 4 in the Notice of Meeting.

Directors' recommendation

The Directors unanimously recommend Shareholders vote in favour of the Resolution for Item 5 as it will provide additional flexibility for the Company to secure additional capital quickly if Directors decide that it is in the best interests of the Company.

ITEM 6 – GRANT OF RIGHTS TO PETER LUDEMANN UNDER THE EMPLOYEE EQUITY PLAN

The Resolution in Item 6 seeks Shareholder approval for the grant of 228,590 Rights to the Managing Director and CEO, Peter Ludemann, under the Company's Employee Equity Plan (**Plan**), subject to the terms and conditions of his 2022 LTI Award (**the Rights**).

If shareholder approval is not obtained under the Resolution in Item 6, the Rights will not be issued to Mr Ludemann and, subject to satisfaction of the Performance Conditions and other conditions described below, Mr Ludemann will receive a cash payment at the end of the three-year Performance Period equivalent to the value of the Rights on that date.

Why Shareholder approval is being sought

Shareholder approval of the Resolution in Item 6 is being sought for the following purposes:

Listing Rule 10.14

Listing Rule 10.14 states that a listed company must not permit a Director (amongst other persons) to acquire securities under an employee incentive scheme without Shareholder approval given by ordinary resolution. The purpose of the Resolution in Item 6 is to obtain Shareholder approval for the grant of 228,590 Rights to Mr Ludemann, pursuant to the Plan and the terms and conditions of Mr Ludemann's 2022 LTI Award.

For the purposes of Listing Rule 10.15, the following information is provided:

- The name of the person to whom Rights are proposed to be issued under the Plan is Mr Peter Ludemann.
- The category in Listing Rule 10.14 that Mr Ludemann falls within is a Director of the Company (Listing Rule 10.14.1).
- The maximum number of Rights that may be granted to Mr Ludemann for which approval is being sought is 228,590.

Explanatory Memorandum

- Details (including the amount) of Mr Ludemann's current total remuneration package are set out below.

For the financial year ending 30 June 2022, the Company's executive remuneration framework for Mr Ludemann comprises:

- Total Fixed Remuneration (**TFR**) of \$604,400, consisting of base salary, superannuation and other benefits;
 - A short term incentive (**STI**) with a maximum opportunity of 50% of TFR (at maximum performance levels); and
 - A long term incentive (**LTI**) in the form of Rights which will be issued under the Plan and will be subject to performance conditions as determined by the Board to support the long-term growth of the Company. The number of Rights to be awarded will be determined by the Board having regard to the overall amount of executive remuneration and the annual profit impact of the Rights awarded.
- No rights have previously been issued to Mr Ludemann under the Plan, as this is a new Plan seeking approval from the Shareholders at this meeting.
 - The number of Options that have previously been issued to Mr Ludemann under the Company's Employee Share Option Plan is as follows:
 - 180,000 Options were issued on 7 December 2018 but lapsed on 26 August 2019;
 - 180,000 Options were issued on 8 November 2019 and remain subject to performance conditions at the date of this Notice; and
 - 170,000 Options were issued on 25 February 2021 and remain subject to performance conditions at the date of this Notice.

The average acquisition price (if any) paid by Mr Ludemann for those Options was \$Nil.

- The material terms of the Rights are summarised below.

The Board has determined that, for the year ending 30 June 2022, up to 1,142,949 Rights (in total) will be issued to senior executives, including the 228,590 Rights to be issued to Mr Ludemann. The remaining Rights will be allocated to other senior executives based on their roles and responsibilities.

Conditions and Important Dates for the Rights

The Vesting Date of the Rights will be 30 September 2024, or three years from the Grant Date, whichever is earlier, subject to meeting the Performance Conditions. The Performance Period for the Performance Conditions is the period from the Grant Date until the Vesting Date (inclusive of each of those dates).

The Rights will expire on 30 September 2026, being the date which is two years after the Vesting Date, if not lapsed earlier.

Performance Conditions

Vesting of the Rights is dependent on, and subject to, satisfaction of the following Performance Conditions:

Explanatory Memorandum

- i. Total Shareholder Return condition – the Compound Annual Growth Rate (**CAGR**) in the Company's Total Shareholder Return (**TSR**) will be tested on the Vesting Date and the Rights will vest in accordance with the following TSR CAGR hurdles:

TSR CAGR	% of Rights to vest
Less than 7% p.a.	0%
At least 7% but less than 10% p.a.	50%
At least 10% but less than 15% p.a.	70% to 100% on a straight-line basis
At least 15% p.a.	100%

TSR CAGR means the TSR compound annual growth rate as against the Base VWAP.

TSR means the total shareholder return to a shareholder of the Company, inclusive of Share Price Appreciation, capital returns and dividends.

Share Price Appreciation means the difference between the Base VWAP and Vesting VWAP.

Base VWAP means the volume weighted average price of Shares over the 10 Trading Days (as that term is defined in the Listing Rules) immediately before and 10 Trading Days immediately after the release of the Company's 2021 financial report. The 2021 financial report was released on 31 August 2021 and the Base VWAP has been calculated at \$1.25.

Vesting VWAP means the volume weighted average price of Shares over the 10 Trading Days (as that term is defined in the Listing Rules) immediately before and 10 Trading Days immediately after the release of the Company's 2024 financial report, expected to be on or about 30 August 2024.

- ii. Service condition – continuous employment of Mr Ludemann with the Company or one of its subsidiaries from the Grant Date until the Vesting Date.

If the Performance Conditions are not met before the end of the Performance Period, the Rights will lapse.

Lapsing and early vesting of the Rights

Change of Control Event: On a takeover or change in control of the Company any unvested Rights will immediately vest and cease to be subject to any Performance Condition.

Termination of employment: If Mr Ludemann ceases employment before the Performance Conditions are satisfied the Rights will automatically lapse 30 days after that employment ceases, unless the Board determines otherwise in accordance with the Plan. If Mr Ludemann ceases to be employed by the Company by reason of his death, disability, bona fide redundancy or other reason with the approval of the Board, the Board has a discretion to determine that some or all of the Rights do not lapse but are deemed to have vested.

If Mr Ludemann's employment is terminated on the basis that Mr Ludemann has acted fraudulently, dishonestly, in breach of his obligations or otherwise for cause, all of the Rights (including those which have not yet vested and those which have vested but are unexercised) will immediately lapse.

Other Information

- The Company will not apply to the ASX for official quotation of the Rights granted under the Plan.
- Shares issued pursuant to the exercise of the Rights will rank equally with Shares then on issue.

Explanatory Memorandum

- Any dealing in Shares is subject to the constraints of Australian insider trading laws and the Company's Share Trading Policy.
- The explanation of why Rights are being used is as follows. Rights are being used as the LTI following a review of the executive remuneration framework in 2021 by an independent remuneration consultant and consideration of various incentive schemes. The Board determined that the structure of the Rights ensures that remuneration outcomes link to Company performance and are in the long-term interests of Shareholders.
- The value the Company attributes to the Rights and the basis of the valuation are set out below.

Valuation Date	13 September 2021
Share Price (Valuation Date)	\$1.2400
Exercise Price	\$0.0000
Risk free rate (%)	0.18%
Volatility (%)	58.20%
Expected Life (years)	3.0
Dividend Rate	6.45%
Estimated Value per Right	\$1.0218
Estimated Total Gross Value*	\$233,573

*Before adjustment to the fair value to allow for performance probabilities

Importantly, no value will be received by Mr Ludemann if the Rights lapse prior to the vesting date.

The 'fair value' for accounting purposes will be determined at the grant date and the value will be expensed over the relevant service period after taking account of any market and non-market vesting conditions, in accordance with AASB 2 *Share Based Payments*.

- The Rights are expected to be granted to Mr Ludemann shortly after the AGM and in any event within 12 months after the AGM.
- The Rights will be granted at no cost to Mr Ludemann. Once the Performance Conditions as set out above are met (or waived), the Rights will be exercisable.
- A summary of the terms and conditions of the Plan is set out in the Explanatory Memorandum for Item 4.
- Details of any Rights issued under the Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14. Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of Rights under the Plan after (and if) the Resolution is Item 4 is approved and who were not named in this Notice of Meeting will not participate unless and until approval is obtained under that rule.
- A voting exclusion statement in relation to the Resolution for Item 6 is set out under Note 4 in the Notice of Meeting.

Approval pursuant to Listing Rule 7.1 is not required in order to grant the Rights to Mr Ludemann as approval is being obtained under Listing Rule 10.14. Accordingly, the grant of the Rights to Mr Ludemann will not be included in the 15% calculation of the Company's annual placement capacity pursuant to Listing Rule 7.1.

Explanatory Memorandum

Part 2D.2 of the Corporations Act: Termination Benefits

Under section 200B of the Corporations Act, a company may only give a person a benefit in connection with their ceasing to hold a managerial or executive office in the company or a related body corporate if it is approved by shareholders or an exemption applies. Further, under section 200C of the Corporations Act, a company may only give a person a benefit in connection with the transfer of the whole or any part of the undertaking or property of the company if it is approved by shareholders.

The term “benefit” in Part 2D.2 has wide operation and would include the accelerated vesting of Rights.

Accordingly, Shareholder approval is sought under section 200E of the Corporations Act for the:

- giving of termination benefits to Mr Ludemann in accordance with the Plan or his employment contract if Mr Ludemann ceases to be employed by the Company and, as a result of the Board exercising its discretion, some or all of Mr Ludemann’s Rights vest; and
- giving of benefits to Mr Ludemann if Mr Ludemann’s Rights automatically vest as a result of a Change in Control Event being triggered due to the transfer of an undertaking or property of the Company.

As at the date of this Notice the estimated value of the Rights to be issued to Mr Ludemann is \$233,573. However, the value of the benefits at the time they may be given cannot presently be ascertained. The matters, events and circumstances that will, or are likely to, affect the calculation of that value include:

- the number of Rights held by Mr Ludemann prior to cessation of employment or at the time of the Change of Control Event; and
- the market price of Shares at that time.

If Shareholder approval is obtained and the Rights automatically vest as a result of a Change in Control Event or the Board exercises its discretion to vest some or all of Mr Ludemann’s unvested Rights, the value of the benefit will be disregarded when calculating his termination benefit ‘cap’ as permitted by the Corporations Act.

Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- obtain the approval of the public company’s shareholders in the manner set out in sections 217 to 227 of the Corporations Act; and
- give the benefit within 15 months following such approval, unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

One of the exceptions where shareholder approval is not needed is where the financial benefit is (relevantly) remuneration to a related party as an officer or employee of the public company or an entity that the public company controls and to give the benefit would be reasonable given the circumstances of the public company or entity giving the remuneration and the related party’s circumstances (including the responsibilities involved in the office of employment). This “reasonable remuneration” exception is contained in section 211 of the Corporations Act.

Explanatory Memorandum

The grant of the Rights to Mr Ludemann will constitute the giving of a financial benefit and Mr Ludemann is a related party of the Company by virtue of being a Director of the Company.

The Directors (other than Mr Ludemann who abstained from considering this matter due to his material personal interest in the matter) consider that the proposed grant of the Rights to Mr Ludemann is reasonable remuneration which falls within the exception in section 211 of the Corporations Act and accordingly Shareholders' approval pursuant to Chapter 2E of the Corporations Act is not required.

Listing Rules 10.18 and 10.19

If shareholder approval is obtained under the Resolution in Item 6, the Company will still be required to comply with Listing Rules 10.18 and 10.19, which place restrictions on the circumstances in which certain termination benefits can be paid and a cap on the value of termination benefits that can be paid to officers of the Company.

Directors' recommendation

The Board, other than Mr Ludemann, consider the grant of the Rights to Mr Ludemann to be appropriate in all circumstances and unanimously recommends that Shareholders vote in favour of the Resolution in Item 6 for the grant of the Rights to Mr Ludemann.
