Explanatory Memorandum

This Explanatory Memorandum and the other attachments to the Notice of Annual General Meeting (Notice) which it accompanies are important documents. Please read them carefully.

ITEM 1 – FINANCIAL STATEMENTS AND REPORTS

The Corporations Act requires that the report of the Directors, the report of the auditors and the financial reports be presented to the Annual General Meeting. In addition, the Company's Constitution provides for such reports and statements to be received and considered at the Meeting.

The Company's 2022 Annual Report is available on the Company's website (<https://ntaw.com.au/investors-asx-announcements/annual-reports>) and has been sent to those Shareholders who have requested a copy.

ITEM 2 – REMUNERATION REPORT

The Corporations Act requires that the section of the Directors' Report dealing with the remuneration of the Directors and other Key Management Personnel (**Remuneration Report**) be put to the members for adoption by way of a non-binding vote.

The Remuneration Report can be found in the Company's 2022 Annual Report.

Shareholders will be given a reasonable opportunity to ask questions about, or make comments upon, the Remuneration Report during the Meeting.

The Board unanimously recommends that Shareholders vote in favour of the Resolution for Item 2.

ITEM 3 – RE-ELECTION OF TERENCE SMITH AS A DIRECTOR

The Listing Rules and the Company's constitution prescribe a process by which Directors regularly retire from office. Retiring Directors may offer themselves for election or re-election.

Pursuant to Listing Rule 14.5 and rule 8.1(g) of the constitution of the Company, Mr Terence Smith retires at the conclusion of the Meeting, and being eligible, offers himself for re-election as a Director of the Company.

A summary of Mr Smith's qualifications and experience appears below:

Mr Smith has over 40 years' experience in tyre importing, wholesaling and retailing. Terence's career is one of successful entrepreneurship, as he and wife Susanne, were responsible for taking Exclusive Tyre Distributors from a start-up business to one of the largest independent national tyre wholesalers in Australia.

The Board (other than Mr Smith in relation to his own election) unanimously recommends that the Shareholders vote in favour of the Resolution for Item 3.

ITEM 4 – ADDITIONAL CAPACITY TO ISSUE EQUITY SECURITIES

Listing Rule 7.1A enables small to mid-cap listed companies to seek Shareholder approval by special resolution to issue equity securities equivalent to an additional 10% of the number of ordinary securities on issue by way of placement over a 12 month period (**10% Placement Facility**), without a need for further Shareholder approval. This is in addition to the existing 15% placement capacity permitted by Listing Rule 7.1.

Explanatory Memorandum

A company is eligible to seek Shareholder approval for this additional placement capacity if it satisfies both of the following criteria at the date of the AGM:

- (a) it has a market capitalisation of \$300 million or less; and
- (b) it is not included in the S&P/ASX 300 Index.

The Company currently satisfies both the above criteria, and it is anticipated that it will satisfy both these criteria at the date of the AGM.

Accordingly, Item 4 is seeking Shareholder approval by special resolution for the issue of such number of equity securities as calculated under the formula in Listing Rule 7.1A.2, at an issue price as permitted by Listing Rule 7.1A.3 (as set out below) to such persons as the Board may determine, on the terms as described in this Explanatory Memorandum.

If the Resolution in Item 4 is approved, the Company will be able to issue equity securities under Listing Rules 7.1 and 7.1A without further shareholder approval such that the Company's total annual placement capacity will be 25% of its issued capital.

If the Resolution in Item 4 is not approved, the Company will not be able to access the additional 10% capacity to issue equity securities without shareholder approval provided for in Listing Rule 7.1 and will remain subject to the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1.

At the date of the Meeting, it is anticipated that the Company will have on issue 131,936,002 Shares and a capacity to issue 19,790,400 Shares under Listing Rule 7.1 and, if the Resolution in Item 4 is approved, a capacity to issue an additional 13,193,600 Shares under Listing Rule 7.1A.

The actual number of equity securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the equity securities in accordance with the formula prescribed in Listing Rule 7.1A.2.

The effect of Item 4 will be to allow the Directors to issue equity securities under Listing Rule 7.1A, in addition to the Company's 15% placement capacity under Listing Rule 7.1, from the date of the AGM at which approval of the 10% Placement Facility under Listing Rule 7.1A is obtained until the first to occur of the following:

- (a) the date that is 12 months after the date of the AGM i.e. 26 October 2023;
- (b) the time and date of the Company's next annual general meeting; or
- (c) the date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(10% Placement Period).

Information required by Listing Rule 7.3A

For the purposes of Listing Rule 7.3A, the following information is provided:

- The period for which the approval will be valid is the 10% Placement Period.
- The minimum price at which the equity securities will be issued will be no less than 75% of the volume weighted average market price for ordinary shares calculated over the 15 trading days on which trades are recorded immediately before:

Explanatory Memorandum

- (a) the date on which the price at which the shares are to be issued is agreed by the entity and the recipient of the securities; or
- (b) if the shares are not issued within 10 trading days of the date in paragraph (a), the date on which the shares are issued.

Note: Securities can only be issued under Listing Rule 7.1A.2 for cash consideration.

- The Company intends to use any funds raised by an issue of equity securities under Listing Rule 7.1A.2 towards an acquisition of new assets or investments (including expenses associated with such acquisition), continued development of, or investment in, the Company's current assets, general working capital and/or other capital management purposes.
- If the Resolution in Item 4 is approved by Shareholders and the Company issues equity securities under the 10% Placement Facility, the existing ordinary Shareholders face the risk of economic and voting dilution as a result of the issue of equity securities which are the subject of this Resolution, to the extent that such equity securities are issued, including:
 - (a) the market price of equity securities may be significantly lower on the issue date than on the date on which this approval is being sought; and
 - (b) the equity securities may be issued at a price that is at a discount to the market price for those equity securities on the issue date,

which may also have an effect on the amount of funds raised by the issue of the equity securities.

- The following table gives examples of the potential dilution of existing ordinary Shareholders on the basis of the market price of Shares at 1 September 2022 and the number of ordinary securities for variable "A", calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice (and on the assumption that the Resolutions being considered at the Meeting are approved).

The table also shows:

- (a) two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of fully paid ordinary securities the Company has on issue. The number of fully paid ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (b) two examples of where the issue price of fully paid ordinary securities has decreased by 50% and increased by 100% as against the current market price.

	Dilution				
	Additional shares issued	Voting Dilution	Funds raised		
			\$0.41 50% decrease in Issue Price	\$0.82 Issue Price	\$1.64 100% increase in Issue Price
Variable "A" in Listing Rule 7.1A.2					
131,936,002 (current)	13,193,600	10%	\$5,409,376	\$10,818,752	\$21,637,504
197,904,003 (50% increase)	19,790,400	10%	\$8,114,064	\$16,228,128	\$32,456,256
263,872,004 (100% increase)	26,387,200	10%	\$10,818,752	\$21,637,504	\$43,275,008

Explanatory Memorandum

- The above table has been prepared on the following assumptions:
 - (a) the Resolution in Item 4 is approved;
 - (b) no Shares are issued in accordance with the Company's Dividend Reinvestment Plan before the date of issue of Shares under Listing Rule 7.1A;
 - (c) the Company issues the maximum number of equity securities available under the 10% Placement Facility in Listing Rule 7.1A;
 - (d) no options are exercised before the date of issue of Shares under Listing Rule 7.1A;
 - (e) the 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%;
 - (f) the table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the AGM;
 - (g) the table shows only the effect of issues of equity securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1;
 - (h) the issue of equity securities under the 10% Placement Facility consists only of Shares; and
 - (i) the current Share price is \$0.82 per Share, being the closing price of the Shares on the ASX on 1 September 2022.

- The Company's allocation policy for issues under the 10% Placement Facility will be dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of allottees of any equity securities that may be issued have not been determined as at the date of this Notice but may include existing Shareholders and/or parties who are not currently Shareholders and are not related parties or associates of the related parties of the Company. Any potential allottees will be determined on a case-by-case basis having regard to factors including, but not limited to, the following:
 - (a) the methods of raising funds available to the Company (including but not limited to, rights issue or other issues in which existing security holders can participate), while balancing interest from potential allottees with the interests of existing Shareholders;
 - (b) the effect of the issue of equity securities on the control of the Company. Allocation will be subject to takeover thresholds;
 - (c) the financial situation and solvency of the Company and its need for capital at any given time; and
 - (d) advice from corporate, financial and broking advisors (if applicable).

- The Company has not issued or agreed to issue any equity securities under Listing Rule 7.1A.2 in the 12 months preceding the date of the Meeting. Further, there are no equity securities that the Company agreed before that 12 month period to issue but which have not yet been issued.

- At the time of dispatching this Notice of Meeting, the Company is not proposing to make an issue of equity securities under Listing Rule 7.1A.2.

The Resolution for Item 4 is a special resolution. For a special resolution to be passed, at least 75% of the votes cast by Shareholders present and entitled to vote on the Resolution must be in favour of the Resolution.

A voting exclusion statement in relation to the Resolution for Item 4 is set out under Note 4 in the Notice of Meeting.

Explanatory Memorandum

Directors' recommendation

The Directors unanimously recommend Shareholders vote in favour of the Resolution for Item 4 as it will provide additional flexibility for the Company to secure additional capital quickly if Directors decide that it is in the best interests of the Company.

ITEM 5 – GRANT OF RIGHTS TO PETER LUDEMANN

The Resolution in Item 5 seeks Shareholder approval for the grant of 210,709 Rights to the Managing Director and CEO, Peter Ludemann, under the Company's Employee Equity Plan (**Plan**), subject to the terms and conditions of his 2023 LTI Award (**Rights**).

If shareholder approval is not obtained under the Resolution in Item 5, the Rights will not be issued to Mr Ludemann and, subject to satisfaction of the Performance Conditions and other conditions described below, Mr Ludemann will receive a cash payment at the end of the three-year Performance Period equivalent to the value of the Rights on that date.

Why Shareholder approval is being sought

Shareholder approval of the Resolution in Item 5 is being sought for the following purposes:

Listing Rule 10.14

Listing Rule 10.14 states that a listed company must not permit a Director (amongst other persons) to acquire securities under an employee incentive scheme without Shareholder approval given by ordinary resolution. The purpose of the Resolution in Item 5 is to obtain Shareholder approval for the grant of 210,709 Rights to Mr Ludemann, pursuant to the Plan and the terms and conditions of Mr Ludemann's 2023 LTI Award.

For the purposes of Listing Rule 10.15, the following information is provided:

- The name of the person to whom Rights are proposed to be issued under the Plan is Mr Peter Ludemann.
- The category in Listing Rule 10.14 that Mr Ludemann falls within is a Director of the Company (Listing Rule 10.14.1).
- The maximum number of Rights that may be granted to Mr Ludemann for which approval is being sought is 210,709.
- Details (including the amount) of Mr Ludemann's current total remuneration package are set out below.

For the financial year ending 30 June 2023, the Company's executive remuneration framework for Mr Ludemann comprises:

- Total Fixed Remuneration (**TFR**) of \$624,947, consisting of base salary, superannuation and other benefits;
- A short term incentive (**STI**) with a maximum opportunity of 50% of TFR (at maximum performance levels); and

Explanatory Memorandum

- A long term incentive (**LTI**) in the form of Rights which will be issued under the Plan and will be subject to performance conditions as determined by the Board to support the long-term growth of the Company. The number of Rights to be awarded will be determined by the Board having regard to the overall amount of executive remuneration and the annual profit impact of the Rights awarded.
- The number of Rights that have previously been issued to Mr Ludemann under the Company's Employee Equity Plan is as follows:
 - 228,590 Rights were issued on 17 December 2021 and remain subject to performance conditions at the date of this Notice.

The average acquisition price (if any) paid by Mr Ludemann for those Rights was \$Nil.

- The number of Options that have previously been issued to Mr Ludemann under the Company's Employee Share Option Plan is as follows:
 - 180,000 Options were issued on 7 December 2018 but lapsed on 26 August 2019;
 - 180,000 Options were issued on 8 November 2019 and remain subject to performance conditions at the date of this Notice; and
 - 170,000 Options were issued on 25 February 2021 and remain subject to performance conditions at the date of this Notice.

The average acquisition price (if any) paid by Mr Ludemann for those Options was \$Nil.

- The material terms of the Rights are summarised below.

The Board has determined that, for the year ending 30 June 2023, up to 1,313,497 Rights (in total) will be issued to senior executives, including the 210,709 Rights to be issued to Mr Ludemann. The remaining Rights will be allocated to other senior executives based on their roles and responsibilities.

Conditions and Important Dates for the Rights

The Vesting Date of the Rights will be 30 September 2025, or three years from the Grant Date, whichever is earlier, subject to meeting the Performance Conditions. The Performance Period for the Performance Conditions is the period from the Grant Date until the Vesting Date (inclusive of each of those dates).

The Rights will expire on 30 September 2027, being the date which is two years after the Vesting Date, if not lapsed earlier.

Explanatory Memorandum

Performance Conditions

Vesting of the Rights is dependent on, and subject to, satisfaction of the following Performance Conditions:

- i. Total Shareholder Return condition – the Compound Annual Growth Rate (**CAGR**) in the Company's Total Shareholder Return (**TSR**) will be tested on the Vesting Date and the Rights will vest in accordance with the following TSR CAGR hurdles:

TSR CAGR	% of Rights to vest
Less than 7% p.a.	0%
At least 7% but less than 10% p.a.	50%
At least 10% but less than 15% p.a.	70% to 100% on a straight-line basis
At least 15% p.a.	100%

TSR CAGR means the TSR compound annual growth rate as against the Base VWAP.

TSR means the total shareholder return to a shareholder of the Company, inclusive of Share Price Appreciation, capital returns and dividends.

Share Price Appreciation means the difference between the Base VWAP and Vesting VWAP.

Base VWAP means the volume weighted average price of Shares over the 10 Trading Days (as that term is defined in the Listing Rules) immediately before and 10 Trading Days immediately after the release of the Company's 2022 financial report. The 2022 financial report was released on 31 August 2022 and the Base VWAP has been calculated at \$0.86.

Vesting VWAP means the volume weighted average price of Shares over the 10 Trading Days (as that term is defined in the Listing Rules) immediately before and 10 Trading Days immediately after the release of the Company's 2025 financial report, expected to be on or about 29 August 2025.

- ii. Service condition – continuous employment of Mr Ludemann with the Company or one of its subsidiaries from the Grant Date until the Vesting Date.

If the Performance Conditions are not met before the end of the Performance Period, the Rights will lapse.

Lapsing and early vesting of the Rights

Change of Control Event: On a takeover or change in control of the Company any unvested Rights will immediately vest and cease to be subject to any Performance Condition.

Termination of employment: If Mr Ludemann ceases employment before the Performance Conditions are satisfied the Rights will automatically lapse 30 days after that employment ceases, unless the Board determines otherwise in accordance with the Plan. If Mr Ludemann ceases to be employed by the Company by reason of his death, disability, bona fide redundancy or other reason with the approval of the Board, the Board has a discretion to determine that some or all of the Rights do not lapse but are deemed to have vested.

If Mr Ludemann's employment is terminated on the basis that Mr Ludemann has acted fraudulently, dishonestly, in breach of his obligations or otherwise for cause, all of the Rights (including those which have not yet vested and those which have vested but are unexercised) will immediately lapse.

Explanatory Memorandum

Other Information

- The Company will not apply to the ASX for official quotation of the Rights granted under the Plan.
 - Shares issued pursuant to the exercise of the Rights will rank equally with Shares then on issue.
 - Any dealing in Shares is subject to the constraints of Australian insider trading laws and the Company's Securities Trading policy.
- The explanation of why Rights are being used is as follows. Rights are being used as the LTI following a review of the executive remuneration framework in 2021 by an independent remuneration consultant and consideration of various incentive schemes. The Board determined that the structure of the Rights ensures that remuneration outcomes link to Company performance and are in the long-term interests of Shareholders.
- The value the Company attributes to the Rights and the basis of the valuation are set out below.

Valuation Date	1 September 2022
Share Price (Valuation Date)	\$0.8200
Exercise Price	\$0.0000
Risk free rate (%)	3.33%
Volatility (%)	55.80%
Expected Life (years)	3.0
Dividend Rate	5.49%
Estimated Value per Right	\$0.6955
Estimated Total Gross Value*	\$146,548

*Before adjustment to the fair value to allow for performance probabilities

Importantly, no value will be received by Mr Ludemann if the Rights lapse prior to the vesting date.

The 'fair value' for accounting purposes will be determined at the grant date and the value will be expensed over the relevant service period after taking account of any market and non-market vesting conditions, in accordance with AASB 2 *Share Based Payments*.

- The Rights are expected to be granted to Mr Ludemann shortly after the AGM and in any event within 12 months after the AGM.
- The Rights will be granted at no cost to Mr Ludemann. Once the Performance Conditions as set out above are met (or waived), the Rights will be exercisable.
- A summary of the terms and conditions of the Plan can be found at <https://ntaw.com.au/investors-asx-announcements/corporate-governance>.
- Details of any Rights issued under the Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14. Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of Rights under the Plan who were not named in this Notice of Meeting will not participate unless and until approval is obtained under that rule.
- A voting exclusion statement in relation to the Resolution for Item 5 is set out under Note 4 in the Notice of Meeting.

Explanatory Memorandum

Approval pursuant to Listing Rule 7.1 is not required in order to grant the Rights to Mr Ludemann as approval is being obtained under Listing Rule 10.14. Accordingly, the grant of the Rights to Mr Ludemann will not be included in the 15% calculation of the Company's annual placement capacity pursuant to Listing Rule 7.1.

Part 2D.2 of the Corporations Act: Termination Benefits

Under section 200B of the Corporations Act, a company may only give a person a benefit in connection with their ceasing to hold a managerial or executive office in the company or a related body corporate if it is approved by shareholders or an exemption applies. Further, under section 200C of the Corporations Act, a company may only give a person a benefit in connection with the transfer of the whole or any part of the undertaking or property of the company if it is approved by shareholders.

The term "benefit" in Part 2D.2 has wide operation and would include the accelerated vesting of Rights.

Accordingly, Shareholder approval is sought under section 200E of the Corporations Act for the:

- giving of termination benefits to Mr Ludemann in accordance with the Plan or his employment contract if Mr Ludemann ceases to be employed by the Company and, as a result of the Board exercising its discretion, some or all of Mr Ludemann's Rights vest; and
- giving of benefits to Mr Ludemann if Mr Ludemann's Rights automatically vest as a result of a Change in Control Event being triggered due to the transfer of an undertaking or property of the Company.

As at the date of this Notice the estimated value of the Rights to be issued to Mr Ludemann is \$146,548. However, the value of the benefits at the time they may be given cannot presently be ascertained. The matters, events and circumstances that will, or are likely to, affect the calculation of that value include:

- the number of Rights held by Mr Ludemann prior to cessation of employment or at the time of the Change of Control Event; and
- the market price of Shares at that time.

If Shareholder approval is obtained and the Rights automatically vest as a result of a Change in Control Event or the Board exercises its discretion to vest some or all of Mr Ludemann's unvested Rights, the value of the benefit will be disregarded when calculating his termination benefit 'cap' as permitted by the Corporations Act.

Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- obtain the approval of the public company's shareholders in the manner set out in sections 217 to 227 of the Corporations Act; and
- give the benefit within 15 months following such approval, unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

One of the exceptions where shareholder approval is not needed is where the financial benefit is (relevantly) remuneration to a related party as an officer or employee of the public company or an entity that the public company controls and to give the benefit would be reasonable given the circumstances of the public company or entity giving the remuneration and the related party's circumstances (including the responsibilities involved

Explanatory Memorandum

in the office of employment). This “reasonable remuneration” exception is contained in section 211 of the Corporations Act.

The grant of the Rights to Mr Ludemann will constitute the giving of a financial benefit and Mr Ludemann is a related party of the Company by virtue of being a Director of the Company.

The Directors (other than Mr Ludemann who abstained from considering this matter due to his material personal interest in the matter) consider that the proposed grant of the Rights to Mr Ludemann is reasonable remuneration which falls within the exception in section 211 of the Corporations Act and accordingly Shareholders’ approval pursuant to Chapter 2E of the Corporations Act is not required.

Listing Rules 10.18 and 10.19

If shareholder approval is obtained under the Resolution in Item 5, the Company will still be required to comply with Listing Rules 10.18 and 10.19, which place restrictions on the circumstances in which certain termination benefits can be paid and a cap on the value of termination benefits that can be paid to officers of the Company.

Directors’ recommendation

The Board, other than Mr Ludemann, consider the grant of the Rights to Mr Ludemann to be appropriate in all circumstances and unanimously recommends that Shareholders vote in favour of the Resolution in Item 5 for the grant of the Rights to Mr Ludemann.

ITEM 6 – RENEWAL OF COMPANY’S PROPORTIONAL TAKEOVER PROVISIONS

Background

The Company’s constitution currently contains provisions dealing with proportional takeover bids for the Company’s Shares. The provisions, which are contained in rule 6 of the constitution, are designed to assist Shareholders to receive proper value for their Shares if a proportional takeover bid is made for the Company.

Under the Corporations Act, these provisions must be renewed every three years or they will cease to have effect. If renewed, the proposed proportional takeover provisions will be in exactly the same terms as the existing provisions and will have effect for a three year period commencing on 26 October 2022.

The Corporations Act requires that the following information be provided to Shareholders when they are considering the renewal of proportional takeover provisions in a constitution.

Effect of the provisions to be included

A proportional takeover bid is one where an offer is made to each Shareholder for a proportion of that Shareholder’s Shares.

If the proportional takeover provisions in the constitution are renewed and a proportional takeover bid is made after 26 October 2022, the Directors must hold a meeting of the Shareholders of the class of Shares being bid for to consider whether or not to approve the bid.

The Directors must ensure that a resolution to approve the bid is voted on at least 14 days before the last day of the bid period. The resolution will be passed if more than 50 per cent of eligible votes are cast in favour of the approval.

Explanatory Memorandum

The bidder and its associates are not allowed to vote on the resolution.

If no such resolution is voted on by the above deadline, a resolution approving the bid is taken to have been passed. If a resolution to approve the bid is rejected, binding acceptances are required to be rescinded, and all unaccepted offers and offers failing to result in binding contracts are taken to have been withdrawn.

If the bid is approved or taken to have been approved, the transfers resulting from the bid may be registered provided they comply with other provisions of the Corporations Act and the Company's constitution.

The proportional takeover provisions do not apply to full takeover bids and will only apply for three years after the AGM, unless again renewed by Shareholders.

Reasons for proposing the resolution

The Directors consider that Shareholders should have the opportunity to vote on any proportional takeover bid for the Company. Without the proportional takeover provisions being included in the constitution, a proportional takeover bid for the Company may enable control of the Company to be acquired without Shareholders having the opportunity to sell all of their Shares to the bidder. Shareholders may therefore be at risk of passing control to the bidder without payment of an adequate control premium for all their Shares whilst leaving themselves as part of a minority interest in the Company.

The proportional takeover approval provisions lessen these risks because they allow Shareholders to decide whether a proportional takeover bid is acceptable and should be permitted to proceed.

The benefit of the provision is that Shareholders are able to decide collectively whether the proportional offer is acceptable in principle and it may ensure that any partial offer is appropriately priced.

No knowledge of present acquisitions or proposals

As at the date of this Notice, no Director of the Company is aware of a proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

Potential advantages and disadvantages for the Directors and Shareholders of the Company

The renewal of the proportional takeover provisions will enable the Directors to formally ascertain the views of Shareholders in respect of a proportional takeover bid. Without such provisions, the Directors are dependent upon their perception of the interests and views of Shareholders. Other than this advantage, the Directors consider that the renewal of the proportional takeover provisions has no potential advantages or potential disadvantages for them as they remain free to make a recommendation on whether a proportional takeover offer should be approved.

The potential advantages of the proportional takeover provisions for Shareholders of the Company are:

- Shareholders have the right to determine by majority vote whether a proportional takeover bid should proceed;
- the provisions may assist Shareholders to avoid being locked in as a minority;
- increase in Shareholders' bargaining power which may assist in ensuring that any proportional takeover bid is adequately priced; and
- knowing the view of the majority of Shareholders assists each individual Shareholder in assessing the likely outcome of the proportional takeover bid and whether to accept or reject an offer under the bid.

Explanatory Memorandum

The potential disadvantages of the proportional takeover provisions for Shareholders include:

- the likelihood of a proportional takeover bid being successful may be reduced and the provisions may discourage the making of a proportional takeover bid in respect of the Company;
- the provisions may reduce the opportunities which Shareholders may have to sell all or some of their Shares at a premium to persons seeking control of the Company and may reduce any takeover speculation element in the Company's share price; and
- the provisions may be considered an additional restriction on the ability of individual Shareholders to deal freely in their Shares.

However, on balance, the Directors do not perceive those disadvantages as justification for not renewing the proportional takeover provisions for a further three years.

Review of advantages and disadvantages of the proportional takeover approval provisions

While proportional takeover provisions have been in effect under the Company's constitution, no takeover bids for the Company have been made, either proportional or otherwise. Accordingly, there are no actual examples against which the advantages or disadvantages of the existing proportional takeover provisions (that is, rule 6 of the existing constitution) could be reviewed for the Directors and Shareholders of the Company. The Directors are not aware of any potential takeover bid that was discouraged by rule 6.

Director's recommendation

The Board unanimously recommends that Shareholders vote in favour of the Resolution in Item 6 for the renewal of the proportional takeover provisions.
